

Contents

- 4.1 Satisfaction with the electricity supply
- 4.2 Satisfaction with the water supply
- 4.3 Satisfaction with the sewage and sanitation
- 4.4 Satisfaction with the garbage collection
- 4.5 Satisfaction with the public primary schools
- 4.6 Satisfaction with the public primary health care
- 4.7 Satisfaction with the secondary health care (hospitals)
- 4.8 Satisfaction with the roads and public transportation
- 4.9 Number of hours with electricity in the house the day before the interview
- 4.10 Number of hours with water in the house the day before the interview
- 4.11 The most urgent public service or area of activity in the municipality
- 4.12 The second most urgent public service or area of activity in the municipality
- 4.13 The most urgent public services or areas of activity in the municipality (include both first and second most urgent)
- 4.14 Pay the last electricity bill
- 4.15 Pay the last water bill
- 4.16 Received support from the institutions during 2006
- 4.17 The support household received from PNA
- 4.18 The support household received from UNRWA
- 4.19 The support household received from Islamic charity organization
- 4.20 The support household received from other local NGOs
- 4.21 The support household received from international NGOs
- 4.22 The support household received from other institutions
- 4.23 Evaluation of the support household received from PNA
- 4.24 Evaluation of the support household received from UNRWA
- 4.25 Evaluation of the support household received from Islamic charity organizations
- 4.26 Evaluation of the support household received from other local NGOs
- 4.27 Evaluation of the support household received from international NGOs
- 4.28 Evaluation of the support household received from other institutions
- 4.29 The political faction which is running your municipal government/village council
- 4.30 The negative consequences of the strikes in hospitals and clinics on the respondent and the household
- 4.31 The negative consequences of the strikes in schools on the respondent and the household
- 4.32 The negative consequences of the strikes in department of transportation on the respondent and the household
- 4.33 The negative consequences of the strikes in police and security on the respondent and the household
- 4.34 The negative consequences of the strikes in judiciary and courts on the respondent and the household
- 4.35 The negative consequences of the strikes in municipalities on the respondent and the household

4.36 Household member changed from public to private service providers due to the bad economic conditions in the public sector during the last 6 months

4.37 Household member changed from public to private service providers due to the bad personal economic conditions during the last 6 months
