

Main Questionnaire

Study about Living conditions and Political Developments in West Bank and Gaza Strip

This questionnaire consists of the following sections:

Section A: Questionnaire administration

Purpose: Information needed to correctly administer the questionnaire

Questions marked by an A and a number

Household questionnaire:

Section H: Characteristics of the household unit.

Section B: Socio-economic aspects- employment and illness

Purpose: Obtain most important background information regarding the respondent.

Questions marked by a B and a number.

Section MM – movement

Purpose: information on new household members in the past 24 months.

Section MI: Migration

Purpose: Obtain information about people whom used to be household member and left.

Section HM: Mortality

Section S: Satisfaction with local services

Purpose: Questions about service delivery

Questions marked by an S and a number

RSI questionnaire: Most of this section questions are to obtain information about randomly selected individual, covering the economic situation of the RSI and household.

Section R: Life situation

Section P: Attitudes regarding the current political situation and governance

Purpose: Questions about the political situation, institutions and political events

Questions marked by a P and a number

Section C: Security and crime

Purpose: Assess the security situation

Questions marked by a C and a number

Section F: Social and political freedom.

Section A: Questionnaire administration
